Education

Daytona State College

August 2013 – August 2016

Associates Degree

Pursuing course work with a direction leading to a degree in Forensic Biochemistry and Bioengineering; soon after attending UCF my decision on my path changed.

UCF

August 2016 - Present

Studying Computer Engineering

My path is to obtain as much experience and knowledge during college. After college, I plan on pursuing a long career in Software Engineering.

Experience

December 2015 – August 2016 & May 2017 – August 2017

Edgewell Personal Care (owned by Energizer)

Analytical Chemist & Laboratory Technician

Familiar with Analytical Chemistry laboratory techniques and equipment. Duties consisted of chemically testing product via High Pressure Liquid Chromatography, Gas Chromatography, Infrared Spectroscopy, Atomic Absorption and more. Had experience with an FDA audit. Also worked on stability testing.

Kohl's

June 2014 – December 2015

Customer Associate

Primary responsibilities include customer assistance when needed. Other general responsibilities include assuring that floor is appropriately stocked, organizing merchandise, and unloading incoming inventory.

Chick-fil-A

February 2013 - March 2014

Food Prep/Line Cook

Responsible for preparing and cooking the food. Also assists unloading the truck and putting together food orders.

Skills

- Microsoft Office skills, which include: Word, PowerPoint, Excel, etc.
- Strong interest in science
- Motivated and great at working with others along with delegating
